## Career Objective

Driven and curious Computer Science Engineer passionate about turning ideas into real-world tech solutions. Skilled in Python, MySQL, HTML, and CSS, with a focus on clean logic and efficient code. I aim to grow in a dynamic IT environment where I can build impactful software, learn advanced technologies, and contribute to meaningful innovation

## Education

**B.E. Computer Science and Engineering (CSE)** 2021 – 2025

Info Institute of Engineering, Coimbatore, Tamil Nadu

CGPA: 7.25

**Higher Secondary (HSC)** – Govt Higher Secondary School, Mylambadi 2021

Percentage: 83.5%

**Senior Secondary (SSLC)** – Govt High School, Urachikottai 2019

Percentage: 80.2%

## Internship and Training

**Web Development Intern – Code Boosters Tech** July 2024

Gained hands-on experience in designing and maintaining web pages using HTML, CSS, and JavaScript. Learned basic backend integration with MySQL and improved debugging and version control skills using GitHub.

## Projects

- **GitHub API Integration Project** – Created a Python-based tool to interact with GitHub API for fetching repository data, user statistics, and analytics.
- **Note Sharing Web Application** – Built a web platform for students to upload and share notes. Developed using HTML, CSS, and MySQL. Implemented user authentication and data storage for an organized experience.
- **Personal Portfolio Website** – Designed and developed a responsive personal portfolio using HTML and CSS to display personal projects, contact information, and career achievements.

## Technical Skills

- **Programming:** Python
- **Web Development:** HTML, CSS
- **Database:** MySQL
- **Tools:** GitHub, VS Code
- **FrameWorks:** Streamlit,Pandas

## Certifications

- Python Programming Certification
- MySQL Database Certification
- Web Development Training – Code Boosters Tech

## Soft Skills

- Problem Solving
- Logical Thinking
- Time Management
- Adaptability

## Languages Known

- Tamil (Native),English (Fluent)
